

Some tips on how to keep a fast pace in golf to avoid slow play.... But don't forget to have fun!

- Be ready to golf when it is your turn
- Leave cart on side of green that is directed toward the next hole
- Complete score card at the start of the next hole
- Please keep practice shots to only 2
- Pay close attention to where your ball goes or ask someone to watch ball
- If not sure where ball lands, go look for ball and take a variety of clubs and a ball to avoid having to walk back to cart for more clubs
- Play a provisional ball if in doubt
- Only spend 3 minutes to find a lost ball
- After hitting ball, get directly back in cart, then put your club away when you stop again
- Keep long story telling for end of round
- No cell phone use unless absolutely necessary or in an emergency
